Press release

Addtech acquires Lott-Lacke Produktions- und Handels GmbH

Addtech Industry, a business area within the Addtech Group, has signed an agreement to acquire 100 percent of the shares in Lott-Lacke Produktions- und Handels GmbH ("Lott-Lacke").

Lott-Lacke develops, manufactures and supplies customised radiation-curing and water-based specialty coatings for industrial applications, with particular expertise in UV, LED, excimer and electron beam technologies. The company has a strong international presence, with more than half of its sales generated outside Germany. Lott-Lacke is headquartered in Herford, Germany, has approximately 29 employees and annual sales of approximately EUR 25 million.

Closing will take place at the beginning of January. The acquisition is expected to have a marginal positive effect on Addtech's earnings per share during the current financial year.
