Press release

Addtech acquires BaSyTec GmbH

Addtech Electrification, a business area within the Addtech Group, has today signed an agreement to acquire 100 percent of the shares in BaSyTec GmbH ("BaSyTec").

BaSyTec develops and manufactures advanced solutions with proprietary hardware and software for testing and validation of battery cells, modules and complete battery packs. The company's customers are primarily active in industry, battery manufacturing, and research and development. BaSyTec is headquartered in Asselfingen, Germany, has 20 employees and annual sales of approximately EUR 4 million.

BaSyTec will become part of and complement the existing operations within the Battery Systems business unit.

Closing takes place today. The acquisition is expected to have a marginally positive impact on Addtech's earnings per share during the current financial year.
