

DDM brings in new partner in Greek investment

Press release issued by DDM Holding AG

6 November 2017

DDM Holding AG (First North: DDM) brings in a new partner and co-investor into its Greek Non-Performing Loans (NPL) portfolio which was acquired by DDM in August 2017. This allows DDM to partner up with a strong global investment manager and puts DDM in a very good position to continue to expand on the large Greek NPL market. The transaction is expected to close shortly.

The transaction will result in that DDM's investment decreases by EUR 15 million to EUR 35 million and will re-balance DDM's portfolio bringing the Greek share of the total NPL portfolio to about 32% of the book value.

Kent Hansson, Chairman of DDM Holding AG stated: "We welcome this transaction which underpins our strategic focus on Greece and will allow us and our partners to further expand and diversify our portfolio of distressed assets in the Greek market."
