Press release issued by DDM Holding AG

12 July 2018

DDM Holding AG (First North: DDM) announces that the board has today appointed Henrik Wennerholm as Chief Executive Officer of DDM with immediate effect. Henrik joined DDM in May 2018 as Head of Business Development and is a member of the Executive Management Committee.

“Having founded his own company within the non-performing loans industry, which was later sold to B2Holding, Henrik has the right background and experience to lead DDM in the next phase of development”, says Torgny Hellström, Chairman of the Board of DDM Holding AG.

“I am excited to lead and further develop DDM. There are many unharvested opportunities to pursue in a very attractive market place”, says Henrik Wennerholm.

Henrik has extensive industry experience from companies including Hoist, Aktiv Kapital (PRA Group) and, most recently, B2Holding ASA where he served as Head of Business Development and a member of the Group Executive Management Team. Henrik was also the founding partner and CEO of the Nordic NPL investor and debt recovery specialist Sileo Kapital AB, which was acquired by B2Holding ASA in 2014. Henrik holds a M.Sc. in International Economics and Business from Stockholm School of Economics.

Henrik holds 112,178 shares in DDM Holding AG.
