About Biotec Pharmacon ASA:

Biotec Pharmacon ASA is the parent company of Biotec BetaGlucans AS and ArcticZymes AS. Biotec BetaGlucans develops, manufactures and markets novel immunomodulating products, including Woulgan®, a premium priced product in the advanced wound care market. ArcticZymes develops, produces and markets enzymes of marine origin used in molecular DNA technologies and diagnostics, representing growth markets where rapid technological developments are creating a strong demand for new and improved enzymes.
