SAN FRANCISCO, CA. - November 25, 2014 - RoseRoss today announces the launch of their Estate & Vintage Collection, which is the first upscale, exclusive line of pieces that have been created and purveyed throughout the world. Just in time for Black Friday and Cyber Monday shopping, the RoseRoss Luxury Estate & Vintage Collection is comprised of exquisite necklaces, bracelets, earrings, rings and more, and is now available at www.roseross.com.

RoseRoss fuses fashion with fine Estate & Vintage pieces and updates classic silhouettes with genuine, curated stones, capturing an intricate and timeless look at well below prices normally found in jewelry stores and other Estate & Vintage outlets. Furthermore, a portion of all sales will go to benefit Raphael House (www.rafaelhouse.org), assisting the homeless in the Bay Area.

RoseRoss' Estate & Vintage Collection includes pieces from the most influential luxury brands that have been collected and curated from around the world by Claudia Castillo Ross and Tiffany Rose Cummins. From some of the largest brands, Cartier, Bulgari to Hidalgo, each piece has been intimately chosen for the RoseRoss Collection. Whether on the red carpet, at a special event or at home, the RoseRoss Collection is meant for the buyer to wear their pieces for years to come.

“RoseRoss takes what has been collected and showcases the luxury brands into special Estate & Vintage pieces that have a unique history in each and every one,” said co-founder Claudia Castillo Ross. Tiffany Rose Cummins added, “I am so thrilled that we can offer this breathtaking RoseRoss Collection to our customers while giving back to a very worthy cause.”
