Atrium Ljungberg recruits Monica Fallenius for the management

Monica Fallenius has been appointed as the new director of Transaction and establishment at Atrium Ljungberg and will be a part of the company management.

Monica Fallenius has extensive experience of management positions within the real estate sector. Her most recent role was with Hemsö where she served as Head of Real Estate for Sweden and as Regional Manager. Her previous employers include companies such as GE Capital Real Estate, Jernhusen, Faberge and Drott. Monica Fallenius' start date at Atrium Ljungberg has not yet been set.

"Atrium Ljungberg has a vast and interesting project portfolio which I look forward to being a part of and developing. It will be terrifically exciting and fun to be able to contribute to the creation of new places where people can live, work and thrive in. Atrium Ljungberg is a well-reputed long term company with deep fundamental values which I share and where relationships between people are centre stage, both in terms of employees and in business relations," comments Monica Fallenius.

As director of Transaction and establishment, Monica Fallenius will be responsible for Atrium Ljungberg's important establishment work within retail, offices and residential as well as the transaction work – decisive issues for the company's future growth.

"I am happy that we have been able to recruit Monica Fallenius as she is a large commercial driving force and holds solid experience of the real estate sector. Monica is recognised as having good leadership skills and she will also supplement the management team in an extraordinary manner," says CEO Annica Ånäs.

Following the recruitment, Atrium Ljungberg's company management comprises: Annica Ånäs, CEO, Martin Lindqvist, CFO, Helena Martini, HR Director, Mattias Celinder, Business Area Director, Properties, Linus Kjellberg, Business Area Director, Business development, Angela Berg, Business Area Director, Projects, Monica Fallenius, Business Area Director, Transaction and establishment.
