New Business Area Directors strengthen Atrium Ljungberg's company management

Angela Berg has succeeded Magnus Alteskog as the new Director of Projects at Atrium Ljungberg, effective as of 1st July. Angela Berg has been employed by the company since 2010, most recently with responsibility for the AkzoNobel headquarters new build in Sickla. She has worked with project development for many years now in a number of roles, including Project Director at BTH Bostad and Project Manager at NCC.

"I am very much looking forward to this opportunity to play a part in Atrium Ljungberg's exciting future. Our project managers are amongst the best in the industry and, together, we will continue to progress an already successful project development programme," says Angela Berg.

Jonas Törnell has also joined Atrium Ljungberg in the capacity of Director, Business Area Offices, succeeding Micael Averborg. Jonas was most recently responsible for business development at Newsec, but also has extensive experience of the property sector in a number of roles in both property development and management. He will take up his position by the end of the year.

"The opportunity to work as part of a talented team with the ongoing development of the way we manage a high quality, growing property portfolio is a very exciting one," says Jonas Törnell.

Micael Averborg has, as previously announced, taken over the role of Director for Atrium Ljungberg's new Business Area, Transactions & Market.

Angela Berg and Jonas Törnell will both join Atrium Ljungberg's management team, which will now comprise: Ingalill Berglund, Managing Director; Annica Änäs, CFO; Helena Martini, Director of HR; Micael Averborg, Business Area Director, Transactions & Market; Mattias Celinder, Director, Business Area Retail; Jonas Törnell, Director, Business Area Offices; Linus Kjellberg, Director, Business Development; and Angela Berg, Director of Projects.

"The new recruitments ensure operational continuity and inject new expertise into the company. With Angela and Jonas on board, we will have a skilled and stronger management group that has the vigour and enthusiasm required to handle tomorrow's opportunities and challenges," comments Atrium Ljungberg's Managing Director, Ingalill Berglund.

Atrium Ljungberg is one of Sweden's biggest listed property companies and specialises in encouraging the development and growth of a variety of different locations. Our projects in Swedish growth market demonstrate that in a conservative sector, we take a dynamic approach. Sickla Köp kvarter In Nacka, NOD in Kista, Gränby Centrum In Uppsala and Mobilia in Malmö are examples of the way in which our personnel, working in partnership with external players, create modern meeting places for work, shopping, leisure, culture and education.
