## Atrium Ljungberg sells its holdings of repurchased shares

Atrium Ljungberg has sold its holdings of repurchased shares totalling 3,063,748 B shares. This corresponds to 2.3 per cent of the total number of shares. The sale was made in conjunction with the sale of a combined 8,000,000 B shares, which corresponds to 6.0 percent of the total number of shares, by major shareholders Konsumentföreningen Stockholm and the Ljungberg Family. The purpose of the sale for all parties was to further improve liquidity in the share and increase free float, thereby making it easier for investors to buy and sell large blocks of shares on the stock exchange.

The sale price was SEK 97 per share and brings the company SEK 297 million in cash and cash equivalents. The blocks of shares were divided among about 200 shareholders.

ABG Sundal Collier and Swedbank have acted as Joint Managers for the secondary sale of shares.
