Atrium Ljungberg is one of Sweden's biggest listed property companies. We create sustainable and attractive urban environments where people want to live, work and be – today and tomorrow. We promote the development and growth of our urban environments together with customers, suppliers, municipalities and other collaboration partners. Our meeting places will create the conditions for business and growth and contribute to the development of society. Sickla in Nacka, NOD in Kista, Grånby Centrum in Uppsala and Mobilia in Malmö are examples of the way in which we create modern meeting places for work, shopping, leisure, culture and education.
