Om SSM Holding AB (publ)

SSM produces functionally smart and affordable homes with attractive common areas, close to public transport and the city center for the company's target group — the urbanites of tomorrow. The company envisions a housing market that is accessible to as many people as possible and aspires to produce 60 percent cooperative apartments, 30 percent rental units and 10 percent student housing. SSM is the leading property developer in its niche within the Greater Stockholm-region and in February 2017, the company had more than 5,500 building permits in its portfolio. www.ssmlivinggroup.se
