

## **Press Release**

**Net Gaming Europe AB (publ)**

**02/08/2017**

## **Net Gaming announces early release of interim report**

**Net Gaming has taken the decision to publish its interim report for the second quarter of 2017 earlier than previously communicated.**

The interim report for the period of January-June 2017 will be published on 22 August, contrary to earlier communications. It was initially scheduled for release on 24 August.
