CLS launches US website focusing on TRANBERG® for MRI-guided laser ablation

Clinical Laserthermia Systems AB (publ) today launches a US version of its company website. In the US CLS' TRANBERG® | Thermal Therapy System and single use accessories are marketed for treatment with MRI-guided laser ablation, following the FDA-clearance that the products hold. The new website will be launched sometime after 4 PM CET today and is accessed on www.clinicallaser.se as well as on www.clinicallaser.com.
