Nordnet: Monthly statistics August

Information about Nordnet is available at www.nordnetab.com.

In August, 1,963,193 trades were made in stocks, warrants and options among Nordnet's customers in Sweden, Norway, Denmark and Finland. That corresponds to 85,356 trades per day. The number of customers in the end of August was 534,600, which is 6,000 more than previous month. The number of accounts was 689,600 which is 8,400 more than previous month. Net savings for the month was SEK 1,300 million and the savings capital was SEK 221 billion. Lending to customers by the end of August was SEK 8.3 billion.

Table: Nordnet's total trades on all exchanges and market places for all customers, and average number of trades per day. Average number of trades per day is calculated as total trades divided by the number of days the Swedish exchanges are open. Accounts, customers, net savings, savings capital and lending are based on preliminary data.

* Cash market relates to trades in stocks, warrants, ETFs and certificate.

** A capital of 0.3 SEK billion was transferred to Söderberg & Partners from Nordnet during August as a result of the reduced partner cooperation. A total of SEK 10.2 billion related to Söderberg & Partners has been transferred from Nordnet.

*** Nordnet launched mortgage in April 2016. The lending volume was published for the first time in May 2016, which is why there are no comparison data available for 2015.
