Nordnet: Monthly statistics October

Information about Nordnet is available at www.nordnetab.com.

In October, 1,998,307 trades were made in stocks, warrants and options among Nordnet's customers in Sweden, Norway, Denmark and Finland. That corresponds to 95,157 trades per day. The number of customers in the end of October was 551,800, which is 6,200 more than previous month. The number of accounts was 714,200 which is 8,600 more than previous month. Net savings for the month was SEK 900 million and the savings capital was SEK 228 billion. Lending to customers by the end of October was SEK 9.0 billion.

Table: Nordnet's total trades on all exchanges and market places for all customers, and average number of trades per day. Average number of trades per day is calculated as total trades divided by the number of days the Swedish exchanges are open. Accounts, customers, net savings, savings capital and lending are based on preliminary data.
