Nordnet: Monthly statistics December

Information about Nordnet is available at www.nordnetab.com.

In December, 2,024,238 trades were made in stocks, warrants and options among Nordnet's customers in Sweden, Norway, Denmark and Finland. That corresponds to 96,392 trades per day. The number of customers in the end of December was 566,800, which is 6,900 more than previous month. The number of accounts was 735,000 which is 9,500 more than previous month. Net savings for the month was SEK 1,600 million and the savings capital was SEK 235 billion. Lending to customers by the end of December was SEK 9.2 billion.

Table: Nordnet's total trades on all exchanges and market places for all customers, and average number of trades per day. Average number of trades per day is calculated as total trades divided by the number of days the Swedish exchanges are open. Accounts, customers, net savings, savings capital and lending are based on preliminary data.
