## Nordnet: Monthly statistics January

Information about Nordnet is available at [www.nordnetab.com](http://www.nordnetab.com).

In January, 2,262,411 trades were made in stocks, warrants and options among Nordnet's customers in Sweden, Norway, Denmark and Finland. That corresponds to 110,362 trades per day. The number of customers in the end of January was 576,600, which is 9,800 more than previous month. The number of accounts was 747,800, which is 12,800 more than previous month. Net savings for the month was SEK 500 million and the savings capital was SEK 236 billion. Lending to customers by the end of January was SEK 9.5 billion.

Table: Nordnet's total trades on all exchanges and market places for all customers, and average number of trades per day. Average number of trades per day is calculated as total trades divided by the number of days the Swedish exchanges are open. Accounts, customers, net savings, savings capital and lending are based on preliminary data.
