

## CybAero postpones Year-end report for 2017

CybAero's board has decided to postpone the Year-end report for 2017 until March 30th. Previously stated date for the Year-end report is March 15th. The reason for the postponement is ongoing discussions regarding the company's financing. See CybAero's press release from February 16Th.

**About CybAero**

CybAero develops and manufactures Remotely Piloted Aircraft Systems (RPAS) for safer and more effective aerial operations in various environments, including those hazardous in nature. The company has made a great international impact with its APID One helicopter, which can be adapted for both military and civilian applications such as coastal and border surveillance, search and rescue missions, and mapping. CybAero's head office is located in Mjärdevi Science Park in Linköping, Sweden. The company has been listed on the NASDAQ First North since 2007. FNCA Sweden AB is the company's certified adviser.
