Gaming Corps now working with SIDE UK

Gaming Corps is delighted to be working with SIDE UK, Europe's award-winning leader in providing casting services to the videogames industry. The first project is The Descendant who now has new voices across all episodes.

"At Gaming Corps we see our games as services to the players." Said Jean-Marc Broyer, President, Gaming Corps, "Updating content, features and experiences is part of our DNA. In that context it felt natural and necessary for Gaming Corps to partner with the best in the Industry. I can't be more pleased with the tremendous work that SIDE UK provided."

As a result all voice performances in The Descendant have been upgraded with top talents from the Entertainment Industry which is a major improvement to the story flow.

We highly recommend you to replay Episode 1 and 2 before starting Episode 3 to enjoy the full experience.

The team at Side is always excited to be working on narrative driven game and it was great being brought on board to cast and direct the voices of The Descendant. We're looking forward to the next episodes!

- Andy Emery, Managing Director SIDE.

We're delighted to work with such a professional partner as SIDE UK, we feel that they've given The Descendant a new and improved experience when playing it and we hope to create more amazing products together in the future.

- Magnus Kolaas, CEO Gaming Corps.
