GAMING CORPS expands Real Madrid Slam Dunk Basketball softlaunch to Android, deploys in more territories.

GAMING CORPS expands Real Madrid Slam Dunk Basketball softlaunch from iOS to Android, deploys in Slovenia, Croatia, Greece, Israel in addition to Australia, Mexico, New Zealand and Philippines.

Real Madrid Slam Dunk is a fast-paced arcade basketball game where you experience the satisfaction of scoring that game winning shot or blocking your opponent in their last possession. You can emulate your favorite players from the most successful basketball club in Europe and even challenge them in a competition to demonstrate who is the ultimate sports hero. Will you step up to the challenge?

“We are methodically moving forward, keeping the focus on tuning retention and engagement metrics to provide the best experience for all basketball fans around the world, Global launch is around the corner now!” says Jean-Marc Broyer, President, Gaming Corps.
