The Descendant är ett episodiskt äventyrsspel med alla fem episoderna släppta på Steam både för PC och Mac.

"Vi är hedrade att vara en del av denna stora kampanj bredvid spel som Syberia och många andra erkända äventyrsspel. Tack vare Microïds syns The Descendant nu mer än tidigare!" -

Jean-Marc Broyer, President, Gaming Corps.

About Microïds:

Created in 1985, Microïds is an international publisher of multi-platform video games based in Paris (France). Today, it represents Anuman Interactive's video game business in all its forms. Managed by creator Elliot Grassiano, Microïds keeps getting stronger and continues to widen its large game catalogue with genres as varied as adventure, management, simulation and action. Through its adaptations of iconic titles such as "Syberia" or "Amerzone" on new supports or through its original creations ("Subject 13", "The A.B.C. Murders", "Yesterday Origins" ...), Microïds is developing on PC, Mac, Playstation, Xbox One as well as iOS and Android. Besides its heroes and heroines from original creations (Kate Walker from "Syberia», Victoria Mc Pherson from "Still Life" ...), Microïds also creates new titles including other characters or authors from other media (comic books, cinema, literature) such as Garfield, Lucky Luke or Agatha Christie. Microïds is currently developing Syberia 3 scheduled for 2017. For more information, visit the official website www.microïds.com, the Facebook Page, Twitter or Instagram.
