About BizView and NCG Group

BizView is one of the leading systems for forecasting, budgeting and reporting in the Nordic countries. The software provides a web-based Excel-like user interface combined with powerful workflow management. BizView is an open solution that also fits well with QlikView's and Microsoft's business intelligence offerings. BizView is developed and marketed by NCG Group with offices in Scandinavia and is marketed outside Scandinavia by partners. NCG Group has more 1000 companies that use our solutions.
