Cleantech Invest in brief

Cleantech Invest is the largest cleantech accelerator in the Nordic region, boasting several fast growing and high impact companies that solve global challenges. The portfolio companies are active in energy- and resource efficiency as well as decentralized renewable energy and are based in Finland, Sweden and Germany. The company management consists of company builders and investors who have been active within the cleantech space for over a decade. The company is listed on First North Finland under the ticker CLEAN and on First North Stockholm under the ticker CLEAN A.
