## **Nuuka Solutions opens subsidiary in Sweden**

Loudspring Plc daughter company Nuuka Solutions has established its sales company in Sweden. Nuuka Solutions Sweden AB located in Stockholm is headed by Susanne Hedblom. The company employs 4 people and it will service the Swedish market, which is important for Nuuka.

Susanne Hedblom comments:

“Nuuka has been present at the Swedish market for 18 months and we have gotten our first major customers. Setting up Nuuka Solutions Sweden AB shows our commitment to the Swedish market and will help us better service existing and new customers.”

Loudspring Chief Investment Officer and Chairman of Nuuka’s Board Antonio Gallizio comments:

“About half of the world’s assets are in real estate. Making buildings, and more broadly cities, smarter and more efficient is a critical aspect of achieving carbon neutrality. Nuuka provides a technology and service that is directly linked to this challenge. The set-up of Nuuka in Sweden will help the company grow and access more opportunities to affect the global challenge of climate change.”

### **About Nuuka Solutions**

Nuuka’s Connect & Create Solution makes buildings a great place to work and live in, become more sustainable and more productive. Nuuka is a leading building big data analytics solution provider headquartered in Finland. Our SaaS based software consolidates existing building big data into one single user interface and helps building owners and users not only report but also analyze and understand the core reasons behind energy efficiency, good indoor air and sustainability. Nuuka empowers the users and brings building big data into the hands of building users and owners, enabling better building management and increased property values.
