### **Loudspring in brief**

*Loudspring is an industrial group focused on saving natural resources. We own and operate Nordic growth businesses that are making a big environmental impact. We have a diversified business portfolio in order to balance out the fluctuations of individual companies' performance. Our technologies save energy, water and materials in industry, real estate and in everyday life. Our business consists of two branches: Loudspring Industry – majority owned businesses, and Loudspring Ventures – minority ownerships.*

*The company group is listed on First North Finland under the ticker LOUD and on First North Stockholm under the ticker LOUDS.*
