

Ahsell acquires distributor of fastening solutions in Gothenburg

Ahsell Sverige AB has, through its subsidiary Prevox AB, signed an agreement to acquire Infästningsspecialisten Göteborg AB (Infästningsspecialisten) with annual sales of approximately SEK 28 million.

Infästningsspecialisten distributes building supplies to professional customers in the region of Västra Götaland in Sweden. The company has a particularly strong position within fastening solutions and related tools. The products are sold to small and medium-sized contractors within the customer segments construction, electrical, assembly, steel plating, plumbing and demolition. The company is privately owned and has eight employees.

"Infästningsspecialisten operates in an attractive product segment and has a strong external sales force. Through the acquisition, our customers in the region gain even better access to components within fastening.", says Johan Nilsson, President and CEO of Ahsell AB (publ).

The operations of Infästningsspecialisten will be integrated into Prevox AB, a subsidiary of Ahsell Sverige AB, and the acquisition is expected to be closed in the beginning of December. The acquisition is expected to have a minor positive impact on the Group's earnings for 2018.
