

Press release, 27 May 2016

Attendo AB (publ) acquires 247 Hoivakodit Oy

Attendo has entered into a binding agreement to acquire 247 Hoivakodit Oy that develops and operates nursing homes for older people in Finland. The acquisition will add one new nursing home to Attendo and strengthen the portfolio of beds under construction.

247 Hoivakodit Oy operates one nursing home for older people in Lahti since December 2015. The company has a broad portfolio of nursing homes under construction in Finland, from Espoo in the south to Kuopio in the north.

"We are very pleased to welcome 247 Hoivakodit Oy to Attendo. It is a company with great ambitions in care in its existing and planned operations. With Attendos focus on quality, we look forward to continue developing the operations to the benefit of both future and existing clients, customers and employees", says Pertti Karjalainen, Business Area Director for Attendos Care for Older People in Finland.

The acquisition adds 60 new beds in operation to Attendo's offering in own nursing homes in Finland, while the portfolio of beds under construction grows with a total of 253 beds in six different units.

Attendo - the leading care and healthcare company in the Nordics

Attendo is the leading private provider of publicly financed care and healthcare services in the Nordic region. The company was founded in 1985 and was first to provide outsourced care for older people in Sweden. In addition to care for older people, Attendo provides care for people with disabilities, individuals and families, and, in Finland, healthcare and dental care. Attendo has 19 000 employees and is locally anchored with 510 operations in more than 200 municipalities in Sweden, Finland, Norway and Denmark. www.attendo.com
