Ostermann & Cie Launches in Dominican Republic

Leading Financial Company Announces Expansion Plans

Eysins, Switzerland – May 22nd, 2012 – Ostermann & Cie, a private investment firm based in Eysins, Switzerland, is pleased to announce the launch of a new office in Santo Domingo, Dominican Republic to serve the Caribbean and Latin American markets.

Founded on the mission of creating long-term client relations, Ostermann & Cie has been growing its business of managing a wide range of financial products for more than 60 years. Since the company's inception managing family assets, Ostermann & Cie has brought a forward thinking and intimate approach to finance which will carry on to the new Dominican branch.

Financial guidance is key to navigating today's unpredictable market and working with a trusted advisor is paramount to the successful management of one's capital. The company is renowned for fostering personal, yet professional, interaction with diverse clientele, creating a relationship based on trust and experience. The firm plans on taking the successful model perfected over the last 60 years and apply it to this new business enterprise.

Following the Dominican Republic expansion, Ostermann & Cie future plans include opening offices in New York, Montreal and São Paulo in 2012.

About Ostermann & Cie

Ostermann & Cie was founded more than 60 years ago in order to manage family assets. Although the company grew to serve a variety of international clients with different types of financial products, we have maintained the values of confidentiality, trust, intimacy and relationships arising from working closely with the client. This is why, despite the fundamental changes that have emerged in the business of private financial counseling, we remain committed to the privileges of our foundation and combine them to keep up with the needs of performance and affordability that the modern world demands.
