GEMINOSE

Geminose: Animal Popstars to be exclusively launched for Nintendo Switch™

Stockholm, Sweden (August 6, 2017) - Starbreeze unveiled today that its family game *Geminose: Animal Popstars* will be premiering exclusively for the Nintendo Switch.

***Geminose: Animal Popstars* is a game for the whole family where Magic, Music and Dance is at the heart of the Geminose Superstars world.**

Build and grow a music band of adorable Geminose animals, each with a unique personality and country of origin. Unlock dozens of dress-up items to customize your musicians, reflecting their individual personalities. Master over 30 instruments, with several variations, until you are ready to play in Festivals and eventually take them on a World Stage Tour.

Combine any two Geminose to create over 90 unique hybrid Mashup animals that become your fan base and unlock Songs, Content and Games. Succeed in the World Tour and earn rewards to decorate and customize their individual rooms, eventually turning your Geminose Mansion into the perfect Superstar home!

“We’re super impressed with the Switch, its install base and are longtime fans of Nintendo. We’ll be launching *Geminose: Animal Popstars* exclusively for the platform and taking it to family living rooms all over the world.” said Bo Andersson Klint, Starbreeze CEO

Geminose release timing will be announced at a later date.
