PAYDAY 2™ VR out now on Steam

Starbreeze Studios and OVERKILL – A Starbreeze Studio just announced that the highly anticipated VR feature for PAYDAY 2 is out now. Available immediately, all owners of any edition of PAYDAY 2 and owning a HTC™ Vive or Oculus Rift headset will be able to access the functionality through a free update available here: http://store.steampowered.com/app/826090/PAYDAY_2_VR/

PAYDAY 2 VR will allow players to cross-play with their friends on a standard desktop PC.

About Starbreeze

Starbreeze is an independent creator, publisher and distributor of high quality entertainment products. With studios in Stockholm, Paris, Los Angeles, Barcelona and Brussels, the company creates games and other virtual reality entertainment

products, based on proprietary design and licensed content. Starbreeze most recent games include PAYDAY 2®, VR-shooter John Wick Chronicles, and upcoming survival co-op FPS OVERKILL's The Walking Dead. Under its publishing initiative, Starbreeze has together with Canadian studio Behaviour Digital successfully launched horror thriller Dead by Daylight.

Starbreeze has set out to develop truly immersive virtual reality experiences, by integrating software and hardware in its StarVR® head mounted display, which is produced together with Acer.
