

Management group changes in Episurf Medical

Ladan Amiri, Head of Quality and Regulatory Affairs at Episurf Medical, has decided to pursue other opportunities outside the company. Ladan Amiri will be replaced by Katarina Flodström, PhD, currently Research Scientist at Episurf Medical and responsible for Episurf Medical's US project. Katarina Flodström will assume the position as Chief Regulatory Officer with responsibility for regulatory affairs, quality affairs and intellectual property, and will take part in the company's management group. The change will be effective as of June 1, 2018.

"Ladan has been with Episurf Medical since 2015 and she has played an important role in an intense period in the company's development. Ladan has been a great team member and we wish her the best of luck in the future. At the same time, I am very pleased with the appointment of Katarina Flodström as Chief Regulatory Officer" says Pål Ryfors, CEO Episurf Medical.
