

Episealer® presentation at the ISKSAA Global Summit in Leeds, UK on June 21, 2018

Episurf Medical (NASDAQ: EPIS B) today announces that Professor Leif Ryd will speak at the ISKSAA Global Summit in Leeds, UK on June 21, 2018. The topic is "Customized femoral resurfacing metal implant for focal chondral lesions". ISKSAA Global Summit, this time in Leeds, is the annual main event of ISKSAA, the International Society for Knowledge for Surgeons on Arthroscopy and Arthroplasty. The ISKSAA organization, originating from India, launched its global congresses in 2012 and this is the first time the annual gathering is arranged in Europe.

"We are very happy for this opportunity to present at the ISKSAA congress since it has over 500 delegates with about 400 of them from India. Episurf Medical is in the process of establishing a presence in Asia, and India has been identified as one of our future key markets", says Pål Ryfors CEO Episurf Medical.
