Eyeonid Group AB (publ) and HELP Forsikring AS has signed an agreement regarding cooperation

Eyeonid Group AB (Eyeonid Group) and HELP Forsikring AS (HELP) has signed an agreement regarding cooperation, to offer EyeOnID's service packaged through HELP's insurance.

Eyeonid Group and HELP have a common customer in Norway, and for some time, the parties have conducted a dialogue on what common opportunities exist in other market segments leading to this agreement being signed.

The cooperation agreement is based on being able to offer a joint offer to customers in Norway. Mainly, this agreement is aimed at the Norwegian market, however, other markets will not be excluded if cooperation is successful. HELP Forsikring AS is a wholly owned subsidiary of the German ARAG Group, which is represented in 17 countries.

This information is information that Eyeonid Group AB (publ) is obliged to disclose under the EU Market Abuse Regulation. The information was provided, through the contact of the above contact person, for publication on the 28th May 2018.

Eyeonid was founded in 2014 and has since its inception developed a technically complex and advanced platform for proactive ID protection services. The company's service monitors and alerts customers when sensitive, private and corporate digital information, such as login credentials, credit card numbers and social security numbers, are found at unauthorized sites on the internet, whereupon the customer can act and protect himself.
