

‘Conspiracy of Silence’ is next MTG Studios original series

- Provocative new original drama lifts lid on Sweden’s role in the global arms business
- Eight-part series stars Jens Hultén (‘Mission: Impossible – Rogue Nation’) and is directed by Charlotte Brändström (‘Outlander’)
- ‘Conspiracy of Silence’ to premiere exclusively on Viaplay across the Nordic region during 2018

‘Conspiracy of Silence’ is a complex and uncompromising political thriller that explores the murky world of the international arms trade. The eight-part series is the latest original production from MTG Studios and will premiere in 2018 exclusively on MTG’s video streaming service Viaplay and later on MTG’s free-TV channel TV3.

Jens Hultén (‘Mission: Impossible – Rogue Nation’; ‘Hassel’; ‘Skyfall’) plays Robert Kastell, a haunted arms dealer who returns to Sweden on a quest for vengeance. The series highlights the dramatic personal impact of the weapons business.

‘Conspiracy of Silence’ (Swedish title: ‘Ingen utan skuld’) also stars Vera Vitali (‘Arne Dahl’; ‘Brimstone’) and Henrik Mestad (‘Occupied’; ‘Lilyhammer’), and is created by Peter Arrhenius (‘Welcome to Sweden’). Charlotte Brändström, critically acclaimed for her work on the international hit series ‘Outlander’, will direct.

‘Conspiracy of Silence’ is produced by Brain Academy, a part of MTG-owned nice entertainment group, in co-operation with UK-based Pinewood Television. International distribution will be handled by Eccho Rights.

Jakob Mejlhede, MTG EVP and Head of Programming and Content Development: “Is the defense industry defensible? Our original drama slate shows that we’re always ready to tackle controversial questions, including Sweden’s role as one of the world’s leading arms exporters. ‘Conspiracy of Silence’ is a fast-paced story of revenge, guilt and double standards that will leave you breathless – and angry.”

Ira Gladnikoff, Head of Viaplay: “From award-winning kids series to hard-hitting drama, Viaplay is the Nordic region’s premium destination for original content. We’re constantly bringing our viewers even more of what they love – whenever and wherever they want it – and we’re sure everybody will be talking about ‘Conspiracy of Silence’.”
