DDM Debt examines the possibility to tap its outstanding senior secured bond

Press release issued by DDM Debt AB (publ)

3 April 2017

DDM Debt AB (Nasdaq Stockholm: DDM2) has mandated Carnegie to examine the possibility to tap up to EUR 35 million under the EUR 85 million senior secured bond framework (ISIN: SE0009548332), of which an initial amount of EUR 50 million has already been issued. The purpose of the tap issue is to support continued strong growth. The transaction is expected to take place in the near future, subject to market conditions.

This is information which DDM Debt AB is obliged to make public pursuant to the EU Market Abuse Regulation. The information was submitted for publication, through the agency of the contact person set out below, at 08:00 CET on 3 April 2017.
