## Correction of Interim Report January – March 2018

**Error in Camanio Care AB (publ) interim report January - March 2018 and in the press release 2018-05-15 regarding presentation of the report.**

When presenting the Group's revenues and expenses, Group internal items of SEK 530,000 are included. This means that the Group's revenues and expenses have been accounted for too high with the corresponding amount. The Group's earnings are not affected by this adjustment.

The corrected interim report is available as a pdf-file on our website [www.camanio.com](http://www.camanio.com) and it is also attached to this press message.
