

Themtech Company Ltd becomes a new distributor for Camanio Care in Thailand

Themtech Company Ltd will distribute Camanio Cares BikeAround in Thailand

Camanio Care AB (publ) a leading Swedish founded company in the industry of high tech IT-based technology solutions for healthcare and care, have opened up yet another market for its activation product BikeAround jDome. Themtech Company Ltd will have exclusive sales rights to BikeAround jDome in Thailand.

- *We appreciate the cooperation and agreement with Camanio Care to promote BikeAround and other products in Thailand, says Suwicha Yimyo, Managing Director of Themtech.*

Thailand and China have the highest share of elderly people of any developing countries in Asia, South East Asia and the Pacific, and the market and investment for the elderly population is expected to grow^[1]. According to the World Bank, 11% of the Thai population (about 7.5 million people) were 65 years or older in 2016 and the number is projected to grow to around 25% (17 million people) by 2040^[2]. Around 8% of the 60+ elderly persons live alone at home in Thailand^[3].

Themtech Company Ltd.'s vision is to provide aid products for elders and patients and their mission is to build quality team with good knowledge and ability to solve care problem. Today they offer more than 50 products to both retail customers and other manufacturing companies and also identify themselves as a distribution company of high quality products. They have also started cooperation with leading educational institutes for research and research equipment that is beneficial to customers in various sectors for the development of industrial technology potential in Thailand. Themtech Company Ltd. has over 180 ambitious employees in 12 departments and they want to create a new team to focus specifically on Camanio Cares products in the future.

- *Themtech wants to improve the quality of care in Thailand. The agreement allows us to take a step forward with our global business expansion plan where Asia holds a very promising part. Themtech decided to create a new team to promote our products in the market which shows their strong dedication and we expect the best result out of this collaboration, says Al Saad Chowdhury, International Sales Manager at Camanio Care.*
