## Probi appoints Jörn Andreas as new CFO

**Probi AB (publ) has appointed Jörn Andreas as CFO. Andreas will replace Niklas Brandt who will remain in Probis leadership team as CIO with responsibility for IT infrastructure and Investor relations.**

Jörn Andreas comes from a role as CFO for the Pinova group within Symrise. He has also worked as CFO for the Diana Group, as Director of Corporate development and M&A at Symrise as well as a consultant of the Boston consulting group. He has also served as a director on Probis board since 2014.

"Jörn Andreas has a proven international track record as CFO and in complex M&A projects, his skills and experience is a perfect match for the next stage of development at Probi which is combining strong organic growth with acquisition growth. Jörn also knows the company very well from his time on the board which will give him a flying start." says Peter Nählstedt, CEO of Probi. "I would like to thank Niklas Brandt for his excellent work and many years of service as Probi CFO and I am confident he and Jörn Andreas will be very successful in their new roles at Probi."

"Probi has made tremendous progress in developing into a global leading probiotics group. I very much look forward to my new role at Probi and to further building our growth platform driven by world-class innovation, strong financials and a passionate team," says Jörn Andreas.

Jörn Andreas will assume his new position on March 1<sup>st</sup> 2017 and will as a result resign from Probis board of Directors.
