About Aspire Global

Aspire Global is based in Malta and offers platforms for online gaming. The company was founded in 2005 and has since grown to 150 employees and revenues of 100 million euros in Gross Gaming revenues (2016). At present, 33 gaming operators use Aspire's platform and last year nearly 200,000 new players were added. The business has been profitable since its inception and all growth has been organic.
