

GLASTON CORPORATION Stock Exchange Release 23 September 2009 at 14.45

## **Employee co-operation negotiations at Glaston's glass processing subsidiary completed**

Co-operation negotiations on stopping the solar energy glass manufacturing operations of Tamglass Glass Processing, a subsidiary of Glaston Corporation, have been concluded.

As a result, Tamglass Glass Processing's entire personnel, 16 persons, will be lay-offed for the time being, starting from the end of October/beginning of November.

The production stop at Akaa does not affect Glaston Corporation's manufacturing and product development of products aimed at the manufacture of solar energy glass.
