

QuiBids' Hot Summer Products

You can get the latest products at great deals on QuiBids every day. In this release, QuiBids lists some of its most popular and on-demand products of the summer.

OKLAHOMA CITY, OK— [QuiBids](#), the world's largest entertainment retail auction site, is known for being the most fun way to get what you want online. As the heat rises, QuiBids lists some of its top products to get you through those summer nights. Watch for product updates such as these on [QuiBids Facebook](#) as well as its [Twitter](#).

The products mentioned are top-of-the-line brands with exceptional quality and for everyday use. It is no surprise the Apple iPad Mini is at the top of QuiBids' hot summer product list. It is a perfect size to deliver an experience every bit as big as the iPad. Apps made for the iPad also work with the iPad mini. Next on the list is the Nikon D5100. This digital camera provides a superior performance and exceptional image quality with surprising versatility.

The KitchenAid Professional Mixer is another hot product and great for entertaining. It can effectively mix up to 14 cups of all-purpose flour and produce up to eight pounds of mashed potatoes, which go well with the Omaha Steaks that can also be found on QuiBids. A Dyson Ball Upright Vacuum is next on the hot summer list and is made for an outstanding cleaning performance.

The last item on QuiBids' hot summer product list is the MacBook Pro. This new 17.3-inch MacBook's processor delivers up to 2x faster performance over previous generations. The new built-in FaceTime HD camera also allows you to make beautifully crisp and clear HD video calls.
