Catena appoints new Regional Manager for Malmö

Jörgen Eriksson has been appointed as the new Regional Manager for Malmö and begins work in his new position today.

Accordingly, Jörgen Eriksson, who has been employed by Catena since August 2016, will be leaving his current role as controller at Catena. He replaces Christian Berglund, who has announced that he will be leaving his position as Regional Manager for Malmö and Jönköping during the first quarter of 2019. As Regional Manager for Malmö, Jörgen will be part of in Catena's management team.

"Catena is a strong company and, as the new Regional Manager for Malmö, I feel highly motivated to continue helping develop Catena while also developing personally. With the skilled team we have in the Malmö region, I am certain we will continue to achieve strong progress there," says Jörgen Eriksson, Regional Manager Malmö.

"With his tremendous commitment, I am very pleased that Jörgen has ought to advance within the company. Jörgen's professionalism, as well as his analytical vein and broad business perspective, will be a major asset in his assignment to develop the Malmö region," says Benny Thøgersen, CEO of Catena.
