

## Sandvik awarded another major order for Mining Systems

Sandvik Mining has signed a major Mining Systems contract with a customer in Asia. The order includes design and supply of continuous mining equipment for overburden removal and coal handling. The value of the contract exceeds 1,100 MSEK and will be executed and contribute to Sandvik Mining's business during the years 2012 until 2015.

"This new contract confirms Sandvik's strong customer offering and again demonstrates our capabilities of providing excellent technical solutions based on our vast competence in the area of continuous mining and materials handling applications", says Gary Hughes, President of the Sandvik Mining business area.
