

Publication Date for Third Quarter 2018 Interim Report moved forward

Dignitana announced that the Third Quarter 2018 Interim Report will be published the 16th of November instead of the previously posted date of 27 November 2018.

Financial Calendar

16 November 2018 – Q3 Interim Report
26 February 2019 – 2018 Year End Report

Past Annual Reports and Interim Reports are available at www.dignitana.se

DigniCap Website Redesigned

The DigniCap product website for the United States was relaunched in October featuring an updated design and additional content. Visit www.dignicap.com

A similar update will launch in November for DigniCap customers outside the United States.

DigniCap Patient Portal Launched

Direct communication with patients is important to the success of DigniCap. In October Dignitana launched a patient portal to provide all U.S. patients with access to patient-specific information and resources as well as a tool for them to upload photos, videos and stories about their experience with scalp cooling. Visit www.mydignicap.com

Dignitana to exhibit at San Antonio Breast Cancer Symposium

Dignitana will exhibit at the San Antonio Breast Cancer Symposium in early December, the leading gathering of breast cancer clinicians drawing over 7,000 professionals from around the globe.

The next generation of the DigniCap Scalp Cooling System will be introduced on December 5 at the Symposium.

Additionally, clinical investigators led by Dr. Hope Rugo will present an Abstract with results from the Long Term Safety Follow Up to Dignitana's Pivotal Trial.

DigniCap in the United States

The DigniCap Scalp Cooling System is now [available](#) in 26 states, with 112 locations in the U.S. representing 152 machines.

New customers in the past month include:

- Florida Cancer Specialists – West Palm Beach, Florida
- UNC Hospitals – Hillsborough, North Carolina
- Mountain View Hospital – Las Vegas, Nevada
- Inova Schar Cancer Institute – Falls Church, Virginia
- UPMC Magee Women's Hospital – Pittsburgh, Pennsylvania

Exhibition at ESMO Congress in Munich

Dignitana exhibited at the European Society for Medical Oncology Congress in Munich October 19 - 23 attended by over 27,000 oncologists and researchers from around the globe. There was considerable interest in scalp cooling and enthusiasm for DigniCap.

At the ESMO Congress doctors from Brindisi Oncology in Italy presented an Abstract which found that 71 percent of patients had successful results preserving hair using DigniCap while on taxane and anthracycline chemotherapy regimens. Their Abstract is posted here: goo.gl/8CYCfT
