

Press release

Åseda, 26 March, 2015

Significantly improved results

The previously announced initiatives in our marketing organisation, aiming higher activity and presence at customers as well as improvements for increased efficiency in the production chain, has started to yield fruit and ProfilGruppen is expecting a significantly improved result during the first quarter of 2015 compared to the fourth quarter of 2014. The quarterly report for the first three months will be released on April 22, 2015.

ProfilGruppen's CEO, Per Thorsell comments, which will be presented at today's AGM:

"I am delighted that we are now noticing effects of our initiatives and will be able to present a significantly improved result for the first quarter this year. As I have said before, we are definitely on the right path, but we still have some work left to do before we reach our long-term ambition."

ProfilGruppen AB is a supplier of customized aluminum extrusions and components. Current information and photos for free publication is available on: www.profilgruppen.se.
