

## **Rabbalshede Kraft signs service and maintenance agreement with Gnosjö Energy**

Rabbalshede Kraft has signed a four-year management agreement with Gnosjö Energy, to manage the wind farm Kulltorp, located in Gnosjö municipality.

Rabbalshede will be responsible for the management and operation monitoring for Gnosjö Energy's four wind turbines with an installed capacity of 10 MW and a yearly production of about 22.5 GWh of electricity.

*"We are very happy to receive this mandate from Gnosjö Energy and are looking forward to work with them. The agreement is part of Rabbalshede strategy, that in addition to managing our own farms we also offer services to other operators in the market"* says Lars Larsson, COO of Rabbalshede Kraft.

Gnosjö Energy was formed in 2010 to own and manage the wind farm Kulltorp, Gnosjö Energy is owned by four companies within the Folksam group.

### ***This is Rabbalshede Kraft***

*Rabbalshede Kraft AB (publ) plans and establishes proprietary land-based wind farms, in collaboration with other players or for divestment whereby the Company is able to offer operating services. Rabbalshede Kraft was formed in 2005 and currently manages 134 wind turbines of which 71 turbines, in the eight wind farms, are in-house. The electricity produced from the Company's wind farms in operation is sold in the open electricity market, Nord Pool. An extensive project portfolio comprises the basis for growth. The Company has about 250 turbines under procurement, application and planning phases. Follow the Company's progress at [www.rabbalshedekraft.se](http://www.rabbalshedekraft.se)*
