

## **CHESAPEAKE BEACH RESORT & SPA DEBUTS NEW WATERFRONT WEDDING SITES AT 5th ANNUAL BRIDAL SHOW**

### **Engaged couples to view new waterfront ceremony and reception sites at March Bridal Show**

Since 1946, the award-winning Chesapeake Beach Resort & Spa has grown to become a premier waterfront destination location for couples who want to have the quintessential waterfront Chesapeake Bay wedding experience. To enable this year's newly engaged couples to experience a taste of what it is like to have their wedding on the property, the Resort is hosting its fifth annual Bridal Show on Saturday March 14, 2015, from 2pm to 5pm.

Bridal show attendees will enjoy tours of the entire resort property including the up-scale hotel suites and on-site Salon and Spa. This year's show will be the debut of the Resort's new Waters Edge wedding site. This new ceremony and event site places the wedding right on the sand with the gorgeous view of the Chesapeake Bay as the backdrop for the occasion.

As presented each year, the facility will be decorated in its "wedding finest" to illustrate the various waterfront wedding ceremony and reception scenarios available. At this year's show, couples will experience the special allure of a waterfront wedding event as demonstrated by the area's leading wedding vendors. Show vendors will provide attendees with plenty of wedding planning ideas, inspiration, prizes and giveaways. Couples and their guests can view the latest in bridal fashion and enjoy tastings of the Resort's exquisitely catered wedding fare and complimentary champagne while getting the feel of an ideal waterfront wedding at the Chesapeake Beach Resort & Spa.

Located on the Chesapeake Bay, the Resort's new Waters Edge site has been created from the existing beach area; enhanced with new beautiful white sand, lounge furniture and a dance floor on the sand. Waters Edge is exceptionally versatile, as it provides a specific area for outdoor "toes in the sand" weddings, more beach area for hotel guests to enjoy during their stay and can also function as an outdoor corporate outings space. With the newly installed Beach Bar, the area is beautifully set up as an outdoor wedding ceremony site, which can then segue into the wedding's cocktail hour and reception. For corporate events, the area will be used for outdoor waterfront team building events, outdoor gatherings, cocktail hours and dining and dancing on the beach. The Waters Edge is a great location for anyone looking for a "waterfront destination getaway" atmosphere for their wedding or event.

Also new to the Resort to enhance the wedding and meetings space there is the addition of a new Creekside Patio, designed to provide an additional deck area for cocktails on the water for any occasion. Couples desiring vintage style weddings will find the newly renovated waterfront Band Shell as an ideal setting. A sweeping Victorian style staircase has recently been added to the Band Shell, creating easy access for wedding ceremonies and beautiful wedding photo opportunities. "We have been hard at work to improve our entire beach area to be able to provide more waterfront venue choices for our wedding couples," says Resort Vice President Wesley Donovan. "We are excited to debut all the new sites during our upcoming Bridal Show."

The Chesapeake Beach Resort & Spa bridal show will take place on Saturday, March 14, 2015 from 2 to 5 pm.
