

## PRESS RELEASE

Malmö, June 1, 2018

### Change in Duni Management Team

*Thomas Lööb has decided to leave Duni to start a career as a Professional Board Executive, while continuing as Chairman at Rexcell Tissue & Airlaid AB. Magnus Carlsson has been appointed Corporate Development Director.*

Thomas Lööb has been Corporate Development Director at Duni since 2012 and will continue in this role until December 31, 2018, but will leave the Duni Management Team on July 1, 2018. Thomas is also Chairman of the Board at Rexcell Tissue & Airlaid AB since 2014, and will continue in this role. Fredrik Malmgren, Operations Director, will represent Rexcell in Duni Management Team.

Magnus Carlsson has been appointed Corporate Development Director and will join the Duni Management Team starting September 1, 2018. Magnus has been Group Controller at Duni since 2009.

Duni's CEO, Johan Sundelin comments:

*"Thomas Lööb has been a great asset to Duni as member of the Management Team and in developing Rexcell. Thomas will continue as Chairman at Rexcell, but we are also looking forward to his collaboration on other selected strategic initiatives in the future. We are very pleased to welcome Magnus into the Duni Management Team, and it is especially exciting as this internal recruitment further strengthens our commitment to develop talent within Duni Group."*
