**FISHCO GROUP TO REPRESENT WHEATLAND TUBE ELECTRICAL PRODUCTS IN CENTRAL MISSOURI AND SOUTHERN ILLINOIS**

CHICAGO (May 31, 2012) – Wheatland Tube Company is pleased to announce that, effective June 1, 2012, Fishco Group will represent Wheatland's electrical products in the Central Missouri and Southern Illinois areas. Fishco will be responsible for the sales and marketing of Wheatland Tube's aluminum conduit; rigid, EMT, and IMC steel conduit; and elbows, couplings, and nipples in these markets. The principal of the agency is Tom Fisher, a veteran of the Central Missouri and Southern Illinois electrical marketplace. Fishco can be reached at:

Fishco Group  
8721 Mackenzie Rd  
Saint Louis, MO 63123  
Phone: (314) 865-5100

For more information regarding this representation, contact David Burnette, Vice President of Sales – Electrical Division at [David.Burnette@wheatland.com](mailto:David.Burnette@wheatland.com).

**About Wheatland Tube:**

Wheatland Tube is North America's leading manufacturer of steel electrical conduit, including hot-dip galvanized steel rigid metal conduit (RMC), steel intermediate metal conduit (IMC), steel electrical metallic tubing (EMT), rigid aluminum conduit (RAC) and a full line of nipples, elbows, couplings and running thread pipe.

For more product information, contact Wheatland Tube at 800.257.8182 or [info@wheatland.com](mailto:info@wheatland.com). Or visit [www.wheatland.com](http://www.wheatland.com)
