

Akelius Residential Property AB (publ)

Akelius' first acquisition in Copenhagen

The three properties built in 1930 and 1884 are located in Christianshavn, Copenhagen V and Österbro – all three of them popular areas in central Copenhagen. One of the properties has been designed by the famous Danish architects C.F. Møller and Kay Fisker.

A part of the 216 apartments have been renovated. Akelius plans to upgrade all of the apartments to First Class.

The price is DKK 321.5 million.

CEO, Pål Ahlsén: "Copenhagen is the Berlin of Scandinavia. Both cities have an atmosphere which is very appealing. Hopefully we can grow significantly in Copenhagen."
